KOHLER.RENTAL

YOUR WORLD. UNINTERRUPTED.

EVENT

Offering power management services, HVAC equipment and luxury mobile restrooms, we've handled some of the world's most prominent concerts, festivals, TV film production, tours, tradeshows and hospitality promotions. Offering unrivaled support, we are on the job 24/7.

- Generators
- Power Management
- Distribution Equipment
- Technical Services and Design
- Heating/Cooling Units
- Chillers and Accessories
- Luxury Restrooms
- GPS Monitoring

EMERGENCY PLANNING

KOHLER® Rental is committed to helping you meet and manage emergency situations, and limit the risk associated with power outage, disaster recovery and adverse weather conditions such as hurricanes.

- Guaranteed Equipment Availability
- Technical Service and Design
- Standard Towable Generators from 20 – 2000 kW
- Logistics and Deployment Management
- Power Modules from 1500 – 2000 kW
- 24/7 Support

INDUSTRIAL

Big. If there is one word to describe our industrial capabilities, that would be it. When it comes to power for industrial applications, we've done it all — planned shut-down, manufacturing, petrochemical, telecom, hospitality, government and military applications, and much more.

- Generators: 20 – 2000 kW
- Chillers: 100 – 300 tons
- Technical Service and Design
- GPS Monitoring
- 24/7 Support

KOHLER® Rental has the knowledge, equipment and experience to keep you up and running. From generators, air conditioners, air handlers, chillers to complete redundant systems and power management services available in over 80 service locations, as well as luxury mobile restrooms, we're your single source solution. Truly turnkey, KOHLER Rental is experienced in specification, design, installation and execution.
